GIOVANNI METRO STOP GALLERY -

WWWG PRODUCTIONS LTD. SINGAPORE - 2025

Monsieur Seine has asked me, as Emil's lead therapist here at our world renown GIS-GIS Addiction Treatment Facility and Jamaican Voodoo Gift Emporium over at Central and Grand Avenues, to talk to the sad state of the alarming growth of cases of Red Curry Pancake Paste Addiction here in Ward 5. While originally dismissed as the primary usage of this drug was confined to the Ward's growing population of GOF Zombie Sample undocumented refugees being resettled in the outlying communities of Ward 5, its usage has now transitioned to a growing number of local Emil Fanboys who believe everything

that Mister Emil writes, regardless of how outlandish or dangerous he comments might be.

More so, Monsieur Seine has requested that I speak towards our third attempt at treating Mister Emil's worsen condition.

While restricted as to what I can publicly comment on due to the still existing HIPPA Regulations regulated by the old generation and that, oddly, was never revised neither by Ahriman and his Great Social Reset Revolution or the New Tulsa Government.

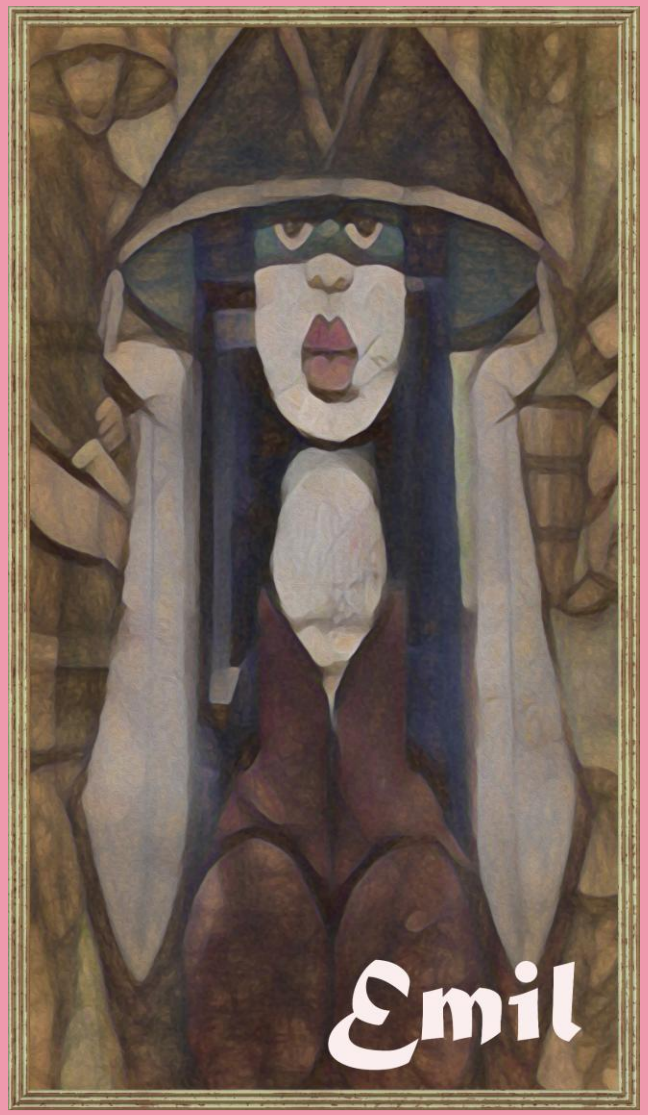
While the new government's health officials elect not to address this issue, I cannot stand

by without expressing my warning(s) to the younger generation that might believe that Emil is cool and who might wish to emulate his irresponsible lifestyle of a poor, Internationalist Hobo by, with the kind assistance of WWWG Productions to publish this book which highlights how Emil's already weak brain has been nearly destroyed by this evil addiction - as you can clearly glimpse from this collection of his recent art therapy class work.

Mister Emil claims that his is not an case of addiction but the freebasing of Red Curry Pancake Paste, which he admits he mixed

with a tad bit of menthol abstract to take the harsh taste out of the standard blend still freely sold at FamilyMart Stores through the Ward, serves as a scientific means to organically alter or, as so he adamantly claims, to modulate his magnetic Frequencies to achieve a probably illegal passage across the magnetic membrane which he claims separates our reality from what he further claims is the vast expanses of the lower levels of the Multiverse.

Please take head that The New Tulsa Government says that it will be adding this Red Curry Pancake Paste/Mixture and several



other similar drugs, like bath salts and Captain Crunch Cereal, to its “Class A” illegal drug list and they have proposed an outright war again these drugs by imposing stiff, long-term internment to a FEMA Re-Training Facility.

Remember the GIS-GIS Mantra “Be cool stay in school, chew gum and make sure, you watch the parking meters!”

Madam Cleo Laveau

CEO of the GIS-GIS Addiction Treatment Center and this year’s official “Miss Voodoo Priestess” of Ward 5

Come the REVOLUTION

Emil

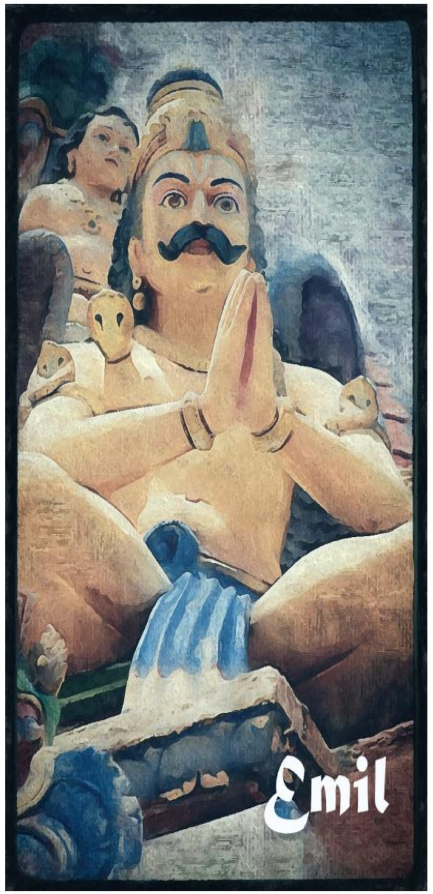
The Sage stood at the door and he openingly declared that the Revolution, it's time has come and that if you loved India, you must stand tall and as he parted he said Revolution starts with one man standing up and saying "NO!" All words we took to heart and thus, the seed was planted...



Remember, science without understanding is of little use; indeed, understanding is superior to science, and those devoid of understanding perish as did the persons who revivified the tiger.

He placed an intimate of his own in the high position of being a confidential councilor, the ambassador who sought the powers of the state to regulate war and peace...He fancied himself a god of war...but, secretly he was riddled by doubts...

Her mother noted that her daughter cannot be kept in due subjection, either by gifts or kindness, or correct conduct, or the greatest services, or the laws of morality, or by the terror of punishment, for the gods specifically made her brave and bold...

Jak Black was a creepy little fellow, some said he was a defrocked priest wanted for murdering his expecting lady gal back in St. Louis or there about...others say, he was a failed Hollywood star, washed up when talkies came in...there were a few of them around...he mostly kept to himself while nursing a single drink all night long...

That old hat become her signature and she was wearing it proudly the night that Frank's wife showed up and recognized that hat as the one she had given him for Christmas and the fight was on...Frank smartly ducked out early, headed back to the docks and the safety of the Sea Horse...a faded, long boat built for rum running...
